

How do I become a managing investor?

Anyone can become a member of IQBID DAO. Participation in the [DAO](#) is arranged by acquiring IQBIDGT management tokens. To acquire IQBIDGT, follow the link - <https://wallet.iqbid.io/exchange-gt>

“ [Smart contract](#) IQBIDGT -

<https://bscscan.com/token/0x4ad6e5acd4a56444a46563112a8b295cefa2a6e2>

During the initial placement of IQBIDGT, the following conditions apply:

- Minimum purchase volume – 0.5 IQBIDGT.
- The volume of IQBIDGT available for acquisition by a new co-owner is determined collectively through an electronic voting system of the co-owners.
- The cost of IQBIDGT is determined by an automated market maker depending on supply and demand.
- Total supply = 100 IQBIDGT
- Initial liquidity value = 120,000 USDT.
- Voting power for DAO management = % share of IQBIDGT ownership of the total supply.
- Voting quorum = 51%
- Individuals can be DAO participants.

After the completion of the initial placement stage of IQBIDGT, new conditions for the redistribution of management tokens among the co-owners of [IQBID](#) will be formed collectively and through an electronic voting system.

Dividends from the [DAO](#) tokenomics are paid to [DAO](#) members proportionally to the % share of IQBIDGT ownership of the total supply. The frequency of dividend payments is set by the co-owners of [IQBID](#) collectively and through an electronic voting system.

IQBIDGT owners can sell their tokens to other owners according to the priority buyout rules:

- 1st priority goes to existing IQBIDGT owners.
- 2nd priority goes to IQBID DAO.

- 3rd priority goes to new partners.
